- 2 The above financial results represent the consolidated financial results of HDFC Bank Limited, its subsidiaries (together referred to as the 'Group') and HDB Employee Welfare Trust ("EWT"). These financial results have been approved by the Board of Directors at its meeting held on July 20, 2024. The financial results for the quarter ended June 30, 2024 have been subjected to a "Limited Review" by the joint statutory auditors of the Bank.
- 3 These financial results have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standards specified under Section 133 of the Companies Act, 2013, the relevant provisions of the Banking Regulation Act, 1949, the circulars, guidelines and directions issued by the Reserve Bank of India ("the RBI") from time to time, the Insurance Regulatory and Development Authority of India ("the IRDAI") (Preparation of Financial Statements and Auditors Report of Insurance companies) Regulations, 2002 ("IRDAI Guidelines") to the extent applicable for insurance entities and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Regulations") as amended including relevant circulars issued by the SEBI from time to time.
- 4 The RBI, vide its master direction dated September 12, 2023, issued revised norms for the classification, valuation and operation of investment portfolio of banks, which became applicable from April 1, 2024. While hitherto, the investment portfolio was classified under the held to maturity (HTM), available for sale (AFS) and held for trading (HFT) categories, the revised norms bring in a principle-based classification of investment portfolio and a symmetric treatment of fair value gains and losses. In accordance with the revised norms and the Bank's board approved policy, the Bank has classified its investment portfolio as on April 1, 2024 under the categories of held to maturity (HTM), available for sale (AFS), subsidiaries, associates and joint ventures and fair value through profit and loss (FVTPL) with held for trading (HFT) as a sub-category of FVTPL, and from that date, measures and values the investment portfolio under the revised framework. For the purpose of consolidation, all the subsidiaries of the Bank and the EWT have followed the revised framework of the Bank except for HDFC Life insurance Company Limited ("HDFC Life") and HDFC Ergo General Insurance Company Limited ("HDFC Ergo"), (the subsidiaries regulated by IRDAI), which continue to follow IRDAI guidelines. On transition to the revised framework on April 01, 2024, the group has recognised a net gain of ₹ 1,113.52 crore (net of tax of ₹ 405.82 crore and minority interest of ₹ 914.25 crore) which has been credited to general reserve in the consolidated financial results, in accordance with the said norms. The impact of the revised framework for the period subsequent to the transition is not ascertainable and as such the income / profit or loss from investments for the quarter ended June 30, 2024 is not comparable with that of the previous period/s. Except for the foregoing, the Group has applied significant accounting policies in preparation of these consolidated financial results consistent with those followed in the annual consolidated financial statements for the year ended March 31, 2024. Any relevant circular / direction issued by the RBI and other regulator(s) is implemented prospectively when it becomes applicable, unless specifically required under that circular / direction.
- 5 The figures for the quarter ended March 31, 2024 are the balancing figures between audited figures in respect of the financial year 2023-24 and the published year to date figures upto December 31, 2023.
